Attention Docket Control:

Enclosed please find the revised schedule of rates and charges for Pine Valley Water Company from our recent rate increase request decision # 63681. Effective June 1, 2001. We removed the dollar amounts from the deposit lines under the **Service Charge Heading**, leaving just the multipliers per the ACC rules. We also added a listing of the decision # and date of the order that established our \$5.00 late payment penalty. Both these changes were per John Lawrence the auditor on our rate increase request. Thank you for your time and consideration on this matter, should you have any further questions please contact me at the above address or phone.
